ABOUT US

SUPER TIVE

SUPER TIVE clothing manufacturer, dedicated to providing the best in service, quality, and price for our clients. In addition to superior fabric and private label apparel manufacturing, we provide established product development, design, sales, and marketing services for our private label customers. We appreciate that each individual customer's needs are specific to them. We take the time to get to know you personally and ensure that the products we design for you meet your requirements. We have skilled stitching and developing team. Also have over 200 machines including Flat lock, overlock, singer, bartack, trimming, cutting, embroidery and sublimation printing machines.

THANK YOU

*We look forward to working
with you*
